ENUM WG, 8 May 2008

# RIPE ENUM Working Group

As a project of the RIPE ENUM Working Group, we are seeking to build a collection that describes the various ENUM projects being conducted around the world. We welcome contributions from ENUM projects in different countries, and invite you to use the same [list of standard questions](#) which other contributors have used, as a guide.

## Progress Matrix

Country	E.164	Status	Details
<b>production</b>			
Austria	43	production	<a href="#">more</a>
Czech Republic	420	production	<a href="#">more</a>
Finland	358	production	<a href="#">more</a>
Germany	49	production	<a href="#">more</a>
Ireland	353	production	<a href="#">more</a>
Poland	48	production	<a href="#">more</a>
Romania	40	production	<a href="#">more</a>
The Netherlands	31	production	<a href="#">more</a>
<b>trial</b>			
China	86	trial	<a href="#">more</a>
France	33	trial	<a href="#">more</a>
Japan	81	trial	<a href="#">more</a>
Liechtenstein	423	trial	<a href="#">more</a>
VISIONng	87810	trial	<a href="#">more</a>
<b>hiatus</b>			
Australia	61	hiatus	<a href="#">more</a>
Sweden	46	hiatus	<a href="#">more</a>
United Kingdom	44	hiatus	<a href="#">more</a>
<b>delegated</b>			
Antarctica Mobile	88234	delegated	<a href="#">more</a>
Armenia	374	delegated	<a href="#">more</a>
Ascension Is	247	delegated	<a href="#">more</a>

- Delegation of +1/1.e164.arpa (NANP) withdrawn since RIPE 55
- Delegation of +41/1.4.e164.arpa (Switzerland) likely to be withdrawn soon

- If you are a Tier-1 ENUM registry:
  - please check “your“ entry for correctness
  - send any updates you might have to <enum-wg-chair@ripe.net>
- Everybody else:
  - if you feel that the entry for a certain delegation over time has become incorrect or incomplete, please contact the respective Tier-1 ENUM registry to have them update “their“ entry

- If you think that the proposed list of standard questions should be modified or extended please send your suggestions to <enum-wg-chair@ripe.net>
